SATURDAY EVENING FEB. 24, 1900

FAST DAYS IN LENT. Next Wednesday will be Ash Wed-

nesday and the beginning of Lent. The heads of the Catholic dioceses are sending out to the clergy the customary cir-cular letter defining the regulations, which are much the same from year to All the week days of Lent from Ash

Wednesday to Easter Sunday are last days of precept, when only one meal is allowed, except a moderate collation in the evening. The sick and infirm are excused from fasting, those who are attaining their growth, those whose duties are of an exhausting and laborious char acter, women with children, and *ll who are enfeeabled by old age. The Holy See has granted the following dis-

pensations:
"I -Tne use of flesh meat is allowed at every meal on the Sundays of Lent, and at the principal mesl on Monday, Tuesday and Saturday (Ember Satur-

day and Holy Saturday excepted).
"II.—The use of eggs and white meats is allowed every day at the princips meal and also at the collation.
"III.—A small piece of bread, with a cup of coffee, tea or chocolate may be

taken in the morning.
"IV.—Wa-re it is not convenient to take the principal mesl at noon, it is lawful to invert the order, and take a collation in the morning and dinner in

the evening.
"V.-Dripping and lard may be used in preparing food.
"VI.-On Sundays there is neither

fast nor abstinence, but fish and flesh may not be used at the same meal. "VII.—Those who are exempt from

the precept of fasting may eat meat at the three meals on meat days. "VIII—By a special indulgence granted to the bishops of the United States for 10 years, daving from March 15, 1895, working people who cannot easily observe the common law of the church, are dispensed from the obligation of abstinence on all days of the year, except Fridays, Ash Wednesday, Holy Week and Christmas Eve. This dispensation does not exempt from the additional obligation of fasting, where such exists, nor does it authorize the use of fish and flesh at the same meal It includes, however, not only the in-dividual workmen in whose favor it is granted, but all the members of their families as well.

"In return it is expected that those who avail themselves of this indult will endeavor to enter into the spirit of the holy season of Lent by voluntary acts of mortification and penance." Lent ends on Easter Sunday, April 15

An Editor's Life saved by Chamber lan's Cough Remedy.

During the early part of October, 1896, I contracted a bad cold which settled on my lungs and was neglected until I feared that consumption had appeared in an incipient state. I was constantly coughing and trying to expel something that I could not. I became alarmed, and after giving the local doctor a trial bought a bottle of Chamberlain's Cough Remedy and the result was immediate improvement, and after I had used three bottles my lungs were restored to their healthy state.-B. S. EDWARDS, Publisher of The Review, Wyant, Ill. For sale by all druggiste.

BY ELEVATING THE QUALITY of our coal we lower the price in economy of consumption. Consumers will find that it is cheaper to use our high grade Lee Coal, that has been screened and freed from slate and stone, than that of an inferior grade. It gives more heat, less ashes and burns longer than any other coal and our prices are as low as any other coal, and our prices are as low as any. Coal and Wood under cover. J. R. ZIMMEEMAN,
